

A high-angle, top-down view of three business professionals (two men and one woman) sitting around a white conference table. They are all looking down at documents or laptops, appearing to be in a collaborative meeting. The image is overlaid with a semi-transparent light blue filter.

# SUMMIUM<sup>®</sup> Selector

Intelligent Industrial Webshop

 **Wapice**

**Summium® Selector** is an easy-to-use webshop solution for demanding industrial needs. It enables you to request for quotations and order products and services directly from the web in a completely new way.

## Applications

Integrate orders from customers and partners directly into ERP.

Allow customers to purchase products at contract price.

Target your product offering and prices according to market, customer or partner.

Replace existing paper and PDF product catalogues with an easy-to-use digital solution.

- › Make it easy for customers to buy by guiding them to the right product area in just a few clicks.
- › Increase sales by offering customers an easy channel for ordering products and requesting for quotations.
- › Bring your product easily to new customers and your partners.

**Digitize your sales  
with a new and intelligent  
webshop solution!**
